I know there are no errors,
In the great eternal plan,
And all things work together
For the final good of man.
And I know as my soul speeds onward,
In its great eternal quest,
I shall say as I look back earthward,
Whatever is -- is best.

CHARACTER, SCHOLARSHIP

LEADERSHIP, SERVICE

This year the Deckerville Honor Society had as its goal the sponsorship of a student from Deckerville to a foreign country for the summer.

To raise money for this project the members had a slave day in which they performed odd jobs for the community. They also sold stationery.

At the tapping ceremonies ten new members were tapped. This included Ingrid Schonherr, our foreign exchange student from Germany, who was made an honorary member.

FORMAL INITIATION - MARCH 10th

- NEWS RELEASE -

The Deckerville Chapter of the National Honor Society held their informal tapping ceremony Friday afternoon in the high school gymnasium. Kathy Pohl, vice-president, opened the assembly by leading the pledge of allegiance. Myrna Hooper, president, then explained the qualifications needed to be inducted into the society. Each senior member revealed a student's name to be tapped, presented the student with an invitation, and then escorted him to a chair.

Formal initiation ceremonies took place Monday evening, March 10, 1969, in the school cafetorium. Members, parents, and friends attended. Each member was given recognition for their high achievement. Rauli Suikkanen showed slides of his homeland, Finland. Refreshments were served to close the evening.

New members tapped in February, 1969.

OFFICERS

On October 9, Dave Barker took first place in the F.A.A. class plowing. Congratulations, Dave!

The Deckerville representatives to the State F.F.A. Convention on March 19, 20, 21 were Dale Dumaw and John Abbott.

The National F.F.A. Convention was held in Kansas City on October 15 through October 18. Larry Hunt and Colin Innis were the representatives from here.

The Parliamentary Procedure Team from Deckerville won the County Leadership Contest at Marlette this year. The team consisted of ninth and tenth graders.

Dennis Flanagan was one of five first place winners from Michigan in the Big Acre contest this year. His entry was oats and he also made a new state yield of 159 bushels per acre.

The Deckerville High School Band has had a busy performance schedule again this year. The Marching Band did half-time shows at all of the home football games and was involved in two local parades during the fall. The Concert Band had two major concerts this year - The Christmas Concert and the Spring Concert, and also presented various school assemblies. Festivals are another source of performances for the Concert Band. The Band was included in the SCBDA County Festival and the MSBOA District III Festival in Flint where the band received a high, straight two rating.

Individuals participated in the MSBOA District III Solo and Ensemble Festival, in Flint, where they received 4 first and 8 second ratings. One student received a two rating in a Proficiency I examination on the state level in Ferndale. Extra performances in Women's Club Festival, Banquets, etc., were also of value.

All in all, the band's tremendous growth and desire has been noticeable and commendable. The pride and accomplishment of the band members is being reached simply because it is their goal and their value.

Our new uniform.

Sing along with Smitch!

"Elegy", written by our band director, Mr. Smith. It will be played by the Senior Band at the Spring Concert and then Mr. Smith is going to send it to an editor for publication.

The theme of the 1968 prom was "Tahitian Holiday". The gym was decorated to portray a South Seas island. "Don Weber and The Men of Note", an 18 piece professional orchestra, provided the music for the evening.

The Big "D" sang the blues this year as they concluded their 8-0 record and one tie.

The framework of a good team was there, though, and in the years to come Deckerville will come to certain victory. The defense showed great promise and the offense has several combinations which are hard to beat.

Six Seniors left the team this year. They are: Captain Bruce Tanton, Dale Dumaw, Jim Durand, Chico Camacho, Gary Anderson, and Bob Sweet.

So the curtain goes down, but these Seniors will never be forgotten. They leave D.C.S. knowing that next year's Seniors will have a victorious season.

"FORWARD EVER - BACKWARD NEVER"

Our heading on this brief article is more than a slogan - it is the creed our outstanding faculty, staff, and students not only believe in, but follow.

The Deckerville Elementary School is rapidly expanding in every way - more students, more sports, more facilities, and more advanced teaching methods. As the school and its functions grow, so grow the mind and character of each student. The rising action of the school spirit lifts the hopes and ideals of all it involves. As the students world unfolds, the life of each individual becomes more complex and involved, more interesting and demanding, and much more rewarding.
